Dear Vincent Kammies

**RE: ACCREDITATION AS A SKILLS DEVELOPMENT PROVIDER**

|                          |                     |
|--------------------------|---------------------|
| Registration Number      | 2012/014529/07      |
| Accreditation Number     | ENER-Mysli510141118 |
| Accreditation Start Date | 19/11/2014          |
| Accreditation End Date   | 30/06/2027          |

Kindly send any queries to Quality Assurance and Compliance Department [accreditation@ewseta.org.za](mailto:accreditation@ewseta.org.za)

Yours truly,

---

Quality Assurance & Compliance Manager

## Your organization's accreditation status are specifically associated with the following:

### Qualifications you are registered to assess

| Qualification ID | Qualification Title  | NQF Level | Credits |
|------------------|--|-----------|---------|
| 48978            | Further Education and Training Certificate: Electrical Network Control | Level: 4  | 190     |
|                  |  |           |         |

| Skill Programme Code | Skill Programme Title           | NQF Level | Minimum Credits |
|----------------------|---------------------------------|-----------|-----------------|
| 03SP20220622001      | EWSETA GENERIC SKILLS PROGRAMME |           | 0               |
| 03SP20230120001      | Principle of Transformer (MTW)  |           | 3               |
| 03SP20150304001      | Operate medium voltage networks |           | 0               |
| 03SP20150304001      | Operate medium voltage networks |           | 0               |

| Learning Programme ID | Learning Programme Title | NQF Level | Minimum Credits |
|-----------------------|--------------------------|-----------|-----------------|
|                       |                          |           |                 |

### Unit Standard/s linked to your organisation

| Unit Standard ID  | Unit Standard Title  | NQF Level | Credits |
|---|--|-----------|---------|
| <b>[48978] Further Education and Training Certificate: Electrical Network Control</b> |  |           |         |
| 7567  | Produce and use spreadsheets for business  | Level 3   | 5       |
| 7570  | Produce word processing documents for business                                       | Level 3   | 5       |
| 7571  | Demonstrate the ability to use electronic mail software to send and receive messages | Level 2   | 3       |

| Unit Standard ID | Unit Standard Title  | NQF Level | Credits |
|------------------|--|-----------|---------|
| 7786             | Operate a Computer   | Level 3   | 8       |
| 10574            | Demonstrate knowledge of Steam Generator design and application                        | Level 3   | 6       |
| 14060            | Understand transformational leadership   | Level 3   | 5       |
| 14063            | Apply Self Management through the Concepts of Positive Self-esteem and Resiliency      | Level 3   | 2       |
| 14065            | Demonstrate knowledge of steam turbines design and application                         | Level 3   | 6       |
| 116416           | Control load variations on a gas turbine power generating system from a control room   | Level 4   | 4       |
| 116454           | Shutdown a gas turbine power generator unit from a control room for maintenance outage | Level 4   | 4       |
| 116457           | Stabilise transient conditions on a gas power generating system from a control room    | Level 4   | 6       |
| 116459           | Start up a gas turbine power generator system from a control room                      | Level 4   | 4       |
| 116462           | Sustain plant operability of a gas turbine power generating unit                       | Level 4   | 4       |

| Unit Standard ID  | Unit Standard Title   | NQF Level | Credits |
|---|---|-----------|---------|
| <b>[00000] EWSETA GENERIC SKILLS PROGRAMME</b>          |   |           |         |
| 13683   | Issue certificate of compliance for a domestic/commercial/industrial installation         | Level: 5  | 5       |
| 242766  | Demonstrate knowledge and understanding of operating regulations for high voltage systems | Level: 5  | 8       |
| 258967  | Understand fundamentals of electricity  | Level: 2  | 8       |
| 259187  | Install and terminate Medium Voltage cables   | Level: 4  | 6       |
| 259189  | Joint Medium Voltage cables   | Level: 4  | 8       |
| 259197  | Test and inspect a three phase industrial/commercial installation                         | Level: 4  | 10      |
| 259204  | Operate on Medium Voltage networks  | Level: 4  | 20      |
| <b>[03SP20230120001] Principle of Transformer (MTW)</b> |   |           |         |
| 10719   | Understand the operating principles of transformers                                       | Level: 3  | 3       |
| <b>[ ] Operate medium voltage networks</b>              |   |           |         |
| 259204  | Operate on Medium Voltage networks  | Level: 4  | 20      |
| <b>[ ] Operate medium voltage networks</b>              |   |           |         |
| 259204  | Operate on Medium Voltage networks  | Level: 4  | 20      |

Take cognisance of the last date of enrollment for the above Programme(s). Be cautioned not to enroll any learner(s) after the stipulated last date of enrollment. The accreditation duration is dependent on the SAQA registration period of the above listed Programme(s).

This accreditation is only applicable to the site indicated in your application form and is subject to the SETA/ETQA approved

Tel: (011) 274 4700 | Fax: (011) 484 8953 / (011) 484 1078 | [info@ewseta.org.za](mailto:info@ewseta.org.za)

EWSETA Head Office, Ground Floor, 22 Wellington Road, Parktown,  
Johannesburg, 2193 | PO Box 1273, Houghton, 2041, South Africa

## Accreditation Policy.

Your accreditation is limited to the above programme(s).

Your accreditation number is restricted to MEET TIME WAYS INVESTMENTS (PTY) LTD, ENER-Mysli510141118.

As an accredited provider, you are required to:

1. Complete and submit the "Training Implementation Intent Form" to the SETA office before commencement of training.
2. Upload (register) learners you intend to train before the commencement of the training from your MIS ERP portal.
3. Conduct training, assessment and moderation.
4. Invite the SETA for verification immediately after training has been completed.

The SETA congratulates you on your achievement.
